Dear: Ildar Gimadiev

Date: 09/08/2020

The Centers for Disease Control and Prevention (CDC), in accordance with 42 Code of Federal Regulations § 71.51, has denied your request dated 09/08/2020 to import one or more dogs into the United States. Your request is denied based on the reason(s) indicated below:

- ☒ Documentation contains information that is inaccurate, unverifiable, or is missing information.
- ☐ Documentation contains information reasonably believed to be false.
- ☒ Rabies vaccination certificate was not provided.
- ☐ Rabies vaccination certificate was invalid/expired.
- ☐ Dog's first rabies vaccination was received less than 28 days before importation.
- ☐ Dog was not healthy.
- ☐ Dog was from Egypt OR originated in Egypt and lived in other country(ies) for less than 6 months
- ☐ Other: 2 dogs in shipment not declared to Customs. Rabies documentation not provided as well.

If you wish to appeal this decision, you must be the owner, importer, or broker of record, and submit your appeal within five (5) business days of receiving this denial. To submit an appeal please include all the following information:

- Include your name, address, phone number, and email
- Confirm that you are the owner, importer, or broker of record
- Provide the arrival airport, date of arrival, and the country the dog(s) originated in
- State the reason for your appeal and why you believe CDC made a mistake in denying entry to the dog(s)

**Denials for importation permits from dogs coming from Egypt are final and may not be appealed.**

To submit an appeal or if you have questions, please contact:

Director, Division of Global Migration and Quarantine  
RE: Dog Denial of Entry

**Please be aware, submitting an appeal does not delay the re-exportation of the dog(s).**

Once received, a senior CDC official will review and decide your appeal. CDC will then issue a written response, which will constitute final agency action. A successful appeal does not entitle you to recover any costs related to the initial denial but allows you to import the dog(s) into the United States. For more information, please see [www.cdc.gov/importation/laws-and-regulations/index.html](http://www.cdc.gov/importation/laws-and-regulations/index.html) under Foreign Quarantine Regulations.
